

PUR CHEVAL

Cover 2018

Gloðafeykir frá Halakoti

Covering price: 1.500 € TTC + pension + ecography

Pension:

- Box: 8 €/day
- Field: 4 €/day

Rules:

- Mares must be unshod on all four
- Mares should be free of contagious illnesses and come from a salubrious place
- Mares must be wormed one week before arrival
- Mares' mandatory vaccinations must be up to date (tetanos & flu)
- Mares must have an electronic chip
- A copy of all mares' origin papers will be asked for
- The mares' owners commit to registering the foal in the French Icelandic horse Stud-book (if the foal is born in France)
- An ecography will be done on site (La Huilerie, 45250 Breteau)

Procedure:

- A downpayment of 700€ will be payed at the time of booking. The rest of the payment will be made once the mare is pregnant (thus 800€ + pension fee + ecography fee).
- The covering method will be hand mating.
- If the mare is not pregnant, the rest of the payment will be done on its departure and will only consist of the pension and ecography fees.
- Mares that are not pregnant 40 days after separation from the stallion will be accepted for covering with the same stallion the following year. Fees will then solely be pension and ecography fees on top of a 350€ fee for labour and handling.
